

NICHOLE'S MOM (CONT'D)
 Going! Go back in the restroom
 Nichole!

The woman takes Nichole by the hair and pushes her in the restroom. She locks her with a --- in the restroom.

NICHOLE'S MOM (CONT'D)
 Stay there and be a fucking good
 daughter, you are a pain in the ass
 already.

The woman slams the door and locks it, she goes to the front door. (we listen to noise outside).

NICHOLE'S MOM (MUFFLED)
 300... alright get in, take your
 clothes off.

All of this happens while Nichole is sitting on the floor disappointed, sad and listening. Suddenly, there is a fight in the other room. It seems that the last guy that went in is trying to rob Nichole's mom. Nichole breaks out of the restroom. There is a gunshot. Nichole hides behind a wall and looks back at the room. The guy comes out, turns and shoots the mom again from outside the room, then leaves. Once he's gone, Nichole goes to the master bedroom and finds her mom dead. Nichole is in shock. We now see Cassandra enter. She goes stands right next to Nichole. They are both looking at her mom. Their mom. They are sisters.

NICHOLE
 Mom...

INT. SOURHEADS HQ - DAY

Nichole comes back to the sourheads. Everyone is looking at her.

CASSANDRA
 That's the same thing that happened to
 you Tim.

TIM
 Yes.

Nichole stands up from the floor and almost in tears, grabs Patrick by his neck.
