

MAX

We can escape.

ETHAN

Sure, that's impossible.

MAX

Well I'd think the same but I just know that the nurse right there is crazy for me. And I'm telling you, she would do anything for me

DIANA

That's all we need, let's do it then.

MAX

Let me go talk to her real quick.

Max approaches the nurse, they exchange some words, and he comes back.

MAX

All set, see you tonight by the front door.

DIANA

ETHAN

Cool

They fist bump between each other and split.

54 INT. ASYLUM/SCHOOL NIGHT

They are all by the front door, the nurse opens the door, but before they leave the nurse stops Max.

NURSE

I'll see you on 55th street and 1st avenue, got that?

MAX

55th street and 1st avenue, got it.

She puts her arm away and they start running. Suddenly an alarm goes off and they hear a gunshot.

ETHAN

What the fuck? they are shooting at us!!
