

Tim looks at his dad, but suddenly he is not there anymore.

???. BLACK ROOM - UNKNOWN

Tim is in a black dark room he doesn't recognise. In front of him, a door, glowing a very bright white light and a TV with no signal that says open it. However, he walks AROUND the door, there is nothing. He hesitates a little, but he opens the door. The TV changes to walk in and he does. Once he walks in the TV signal goes online, and in the TV we see the same scene from a different perspective.

INT. MR.??? WHITE ROOM - UNKNOWN

When he walks-in, he sees a man behind a desk , who is waiting for him with a bunch of other people in the classroom setting. There is an old TV right next to him that Says Hi Tim! The man is eating a sandwich.

MR.???

(chewing) Mmm, you're finally here,  
Tim.

TIM

Uhh? Where am I? How do you know my  
name?

Mr.??? is still chewing, he walks to one of the students, Patrick, MR.?? takes Patrick's beanie off, cleans his mouth with it, puts it back on Patrick's head very carefully and smiles at Tim.

MR.??? (CONT'D)

Take a seat.
